### CAPE TOWN

**CAPE TOWN & TABLE MOUNTAIN** | A geographical and cultural orientation tour showing you Cape Town from its historical beginnings to the dazzling modern shopping malls of the Waterfront. Visit the summit of Table Mountain, the city's most celebrated landmark - a massive plateau with dramatic cliffs. Table Mountain is part of a natural, protected area which has one of the highest concentrations of endemic plant and animal species of any area of similar size.

### SEVILLE, SPAIN

**SEVILLE ON YOUR OWN** | Your tour to Seville begins with a 2-hour coach trip, after which you will have time to explore the many wonderful sights of this historical city on your own. As the capital of Andalusia, Seville has much to offer, from imposing monuments and beautiful buildings to magnificent churches and ultra-modern landmarks. Visit some of the major sights or simply stroll through the elegant streets and squares

### DAKAR, SENEGAL

**PINK LAKE** | Your visit to Lake Retba, a pink saline lake north of Cap Vert, begins with a coach ride that will take you through the green Niayes agricultural belt. Visit the village of the Wolof people, where you will have a chance to meet the locals. Once at the lake, whose pink colour is due to cyanobacteria living in its waters, you can watch salt collectors harvesting the salt. Enjoy a jeep ride over the desert dunes, including photo stops.

### RIO DE JANEIRO, BRAZIL

**SUGARLOAF MOUNTAIN** | The summit of this granite monolith, with its unmistakable shape, is reached by cable car and offers unrivalled views over the beaches and the entire city. The excursion continues with a visit to the Cathedral and the Sambodrome, where every year millions of Brazilians participate by forming parades in the world's most famous carnival. The stadium holds up to 70,000 spectators, all letting loose to the rhythm of the samba.

### TENERIFE, CANARY ISLANDS

**PUERTO DE LA CRUZ** | The island of Tenerife is known not just for its pretty coastal resorts, but also for its semi-dormant volcano Mount Teide. The old port area of Puerto de la Cruz offers fabulous shopping, attractive bars and bistros. Also on the itinerary is a visit to the town's lovely botanical garden, which was originally established to nurture plant specimens brought back from the New World on their way to Spain.

### ST THOMAS

**ST JOHN BEACH TOUR** | This scenic tour departs by ferry from the dock, passing along the South Eastern coastline of St. Thomas, where you will see beautiful beaches and scenery. Next is the Island of St. John, an unspoiled paradise of sandy beaches and verdant National Park. The highlight of the tour is a visit to Trunk Bay, considered one of the finest beaches in the world, where you will have plenty of time to swim & relax.

**The above information is a guide only. Visit [www.msccruises.com.au](http://www.msccruises.com.au) for full details and remember to book your shore excursions online before your cruise!
